LERT ROD THAI

The word "Lert Rod" (เลิศรส) in Thai is an adjective that means "excellent," "delicious," or "superb." It is derived from two Sanskrit words: "**Lert**" (เลิศ), which means "excellent," and "**Rod**" (รส), which means "taste" or "flavor." Combining the two words together creates the meaning of excellent taste - Lert Rod

Here at Lert Rod Thai we specialise in Thai Street Food

Thai street food is a vibrant and flavourful part of Thai culture with a long history. For centuries, vendors have been selling cooked meals, snacks, and drinks from carts and stalls along streets and canals.

While Thai cuisine is well known for its bold and spicy flavours, we've adapted our recipes to suit local preferences while staying true to the authentic essence of each dish.

Thai food is not just about heat—it's a harmonious balance of sweet, sour, salty, umami flavours and spicy elements offering something for every palate
